WORKKEYS TIPS

- You can use any WorkOne office; Evansville and Bloomington are just the most common in our jurisdiction.
- If you have taken the required WorkKeys Tests within the past 5 years and achieved the necessary scores to apply, you are not required to test again. You will only need to provide official documentation from WorkOne of your scores. You will need to retake the tests if they are more than 5 years old.
- You may ask the WorkOne representative to send your scores directly to The Evansville Plumbers & Pipefitters Local 136 MCA-SI Training Trust Fund:
